History:

This message has been replied to and forwarded.

Jeannie: Thank you for expressing an interest in the St. Jude Children's Hospital "Give Thanks Ride." This is my first fund raising ride and it has been really exciting trying to support such a good cause. The response I have received so far has been amazing. At the moment, I'm the leading fund raiser and it has me really motivated to train hard. I've had knee problems all summer so I'm way behind.

Anyway here is the email I had sent out. I didn't send it to to many County employees because I know times are hard and I'm not much on asking people for money. But please feel free to pass this along to anyone you think may want to contribute. Event just moral support helps. I have had several people I don't know make donations; word of mouth I guess, and its pretty cool.

Thank you. Here is my email:

I need your help in helping thousands of children battle cancer. I'm going to bike in the St. Jude Children's Hospital "Give Thanks Ride" September 25. My efforts will consist of peddling 75 miles in and around Memphis, in the heat, humidity, smog etc. Your gracious efforts will consist of, to be blunt, writing a check from the confines of your home or office.

All joking aside, as many of us have, I have lost family to cancer and have had family survive cancer. But what always seems most unfair to me are children, who haven't had the opportunity to enjoy and experience life like most of us have, beginning their lives fighting cancer. And for this simple reason, I decided to give back in some small manner and I ask for your help along the way.

Riding as a St. Jude Hero means I must raise at least \$500. However, my goal is to raise a minimum of \$2,500. I have recruited other riders to help, and our team goal is \$5,000.00. If you make a donation, know that your fundraising efforts will directly support the work of St. Jude Children's Research Hospital in finding cures to save the lives of children fighting cancer and other deadly diseases

If you wish to make a donation, please go to www.mygivethanksride.org. Click on the "donate now" tab. In the next window click on the "find participant" tab. Type in Anthony Nowak and hit "find participant". My name will then appear at the bottom of the page. Click on "Anthony Nowak". This will take you to a window with a tab labeled "Donate Now", in orange, click here and make your donation.

I know it can be difficult to make donations in these tough economic times. Any amount you can contribute will help keep me motivated and will be warmly received and greatly appreciated. Thank you for joining me in my efforts to give something back to those around us. I am very thankful for your help.
